Heidelberg Catechism Q & A 48:

Q: If his humanity is not present wherever his divinity is then aren't the two natures of Christ separated from each other?

A: Certainly not. Since divinity is not limited and is present everywhere, it is evident that Christ's divinity is surely beyond the bounds of the humanity he has taken on, but at the same time his divinity is in and remains personally united to his humanity.

The Search Committee has spent the past couple of months prayerfully meeting with and vetting three agencies to assist in the process of finding a new pastor for Parkersburg CRC. After careful consideration, the committee has chosen to partner with The Rukes Group, and a contract has been signed.

We are pleased to announce that the executive search consultant from The Rukes Group will be visiting the weekend of **August 16 & 17**. During this visit, the consultant will meet with the Council, the Search Committee, and the congregation to begin developing a comprehensive profile of Parkersburg CRC.

As part of this important process, the Search Committee strongly encourages all members to attend worship on Sunday, August 17, as your presence and participation will help shape the profile that guides our search.

Please continue to keep the search process in your prayers as we seek God's leading together.
